

Gillette/Campbell County Drinking & Driving Holiday Radio Script

Hello, this is Keith Howard, member of the Substance Abuse Advisory Council, reminding everyone that “it’s worth it to drive sober”. In fact, most of us in Campbell County believe that drinking and driving laws should be enforced. So that is what the Gillette Police Department is doing. This holiday season they are dedicating more officers for the enforcement of drinking and driving laws.

So if you choose to drink, make the safe choice for yourself and others. Designate a sober driver or call a cab. It’s worth it, drive sober.
